

OUR VISION TO BETTER PETERSBURG (CAREER AI)

Xavier Johnson, Ryan Ruffin, Jordan Cutter, Trevon Hood

WHY DID WE CREATE AN AI APPLICATION READER?

We have created an application reader to better Petersburg and the world. Our vision behind Career AI is that Petersburg employment rate is down in the dumps, so we thought of an app that will cut the hiring process in half introducing Career AI!

THE ISSUE

The issue of Petersburg's employment rate revolves around persistently high unemployment and underemployment levels within the city. Factors contributing to this include a lack of diversified industries, limited job opportunities in emerging sectors, inadequate educational attainment among the workforce, and systemic economic challenges.

STATISTICS OF PETERSBURG UNEMPLOYMENT RATE

Unemployment Rate in Petersburg City, VA was 4.8% in April of 2024, according to the United States Federal Reserve. WHAT IS CAREER AI?

Career AI is our program to help shorten the hiring process in 2 easy steps:

- **Employers will define the desired characteristics, strengths, and skills they seek in an employee.**
- **Candidates will then simply complete our quick 3-minute survey, and we will match you with the best fitting opportunity based on your results.**

WHAT ARE SOME BENEFITS FROM USING OUR AI READER?

- **More applications will be read and seen**
- **The hiring process time will be reduced and smooth**
- **More jobs are distributed throughout Petersburg**

HOW IS CAREER AI HELPFUL TO EMPLOYERS?

Our AI Application Reader can be set up personally by the employer to read and find their preferred qualities on an application.

This will also take the stressful workload off of employers and also help show them the best applications submitted.

HOW IS CAREER AI HELPFUL TO APPLICATION SUBMITTER?

Once you submit your application, it will quickly check and review the application submitted. Once checked, it will be sent to many employers based off of your qualifications quickly finding a match of a job that will fit you.

FINANCIAL COST

We are asking for \$125,000- \$150,000 to start our business.

We're a non-profit organization so all proceeds will be poured right back into the business to better the app for the future.

- Market research- \$4,500
- Development-\$95,000
- Testing-\$5,000
- To launch -\$25,000
- Maintenance-\$12,500
